Re: Gamecock Chemical Company, Inc.
23 Plowden Mill Road
Sumter, SC 29150

Under the Freedom of Information Act, I am requesting you to furnish me copies of inspection reports for past five years in connection with the above company.

My son, Joseph G. Gore III was severely burned by a large spill of Liquid Caustic Soda. At present time he is receiving major treatment including skin grafting at the Augusta Burn Center.

In my opinion, this company has not followed regulations and laws in their operation.

Under the circumstances, I request any charges for this information be waived.

Sincerely,

Joseph G. Gore, Jr.
